1. Integrate highway crashes with weather conditions
2. Integrate produce prices with neighborhoods
3. Integrate average gas prices with county

County	Population	%poverty	PerCapitalIncome
Loudoun County, Virginia	374558	3.82	49615
Washington County, Oregon	16746	20.78	22631
Harlan County, Kentucky	27548	33.3	16010
Malheur County, Oregon	30421	21.36	15720

The poverty and income per capital numbers are off because they aren't represented as weighted averages like they should be
